Friday 23rd July 2021

A Message from Ms Roberts & The Senior Leadership Team

Dear Parents/Carers,

Welcome to our final newsletter of the year. It's been an action packed summer term and our pupils never cease to amaze me. They really are special and once again, this academic year they have shown everyone just how resilient they are when facing the challenges of the pandemic. Well done to all our pupils for working so hard at school and when learning remotely. We are very proud of you. It was a pleasure to hear about pupils achievements in their celebration assemblies which were a very fitting way to end the school year.

Today, we say farewell to our Year 6 pupils and wish them well as they leave us to embark on their secondary education.

Year 6, it has been a pleasure to have you with us at Fenstanton. You have been excellent role models for our younger pupils. I was bursting with pride watching your performance of The Lion King. Your talent is endless and I know you'll all do very well. We'll miss you, so please don't forget to come back and visit to let us know how you're getting on. Good luck!

We also say farewell to Ms Vadhia, Mr Tucker- Samuels, Ms Powell, Ms Malcolm and Mrs TP. Thank you for all your hard work and dedication to our pupils and good luck for the future,

Finally, all of the Fenstanton team want to thank our parents and carers for your continued support this academic year. It has been another hard year with lots of school disruptions and once again your positivity and drive to support your children and our school has been unwavering. Thank you and well done for supporting your children through this tricky time. We are so proud of all our pupils who have shown resilience and determination when returning to school.

Please remember to read regularly with your children over the summer holidays. This may involve you reading a story to them or listening to them read

and asking them questions about the text. Encouraging reading every day is the most supportive measure you can take in your child's learning.

We hope you manage to have a nice, restful Summer and we look forward to seeing you again on **Monday 6th September**. For those pupils and families leaving us, we wish you well and are sad to be losing you from our Fenstanton family.

Happy holidays!

Best wishes,
Ms Roberts & The Senior Leadership Team

MAYOR OF LONDON

Introducing one of London's First Mayors of Play

We are delighted to inform you that Nevaeh, Year 6 Goldfinch Class, has been selected to be one of the first **Mayors of Play**. Congratulations Nevaeh!!

All Young Londoners between the age of 8 to 11 were invited to apply and only five lucky children were selected, so this is an amazing achievement.

Whilst pupils will be relaxing, enjoying their summer break, Nevaeh will take on this very important 'summer job' working with The Mayor of London, Sadiq Khan, to share her recommendations and select the best museums, galleries outdoor spaces, places to eat and activities in London to create a summer of fun for kids.

I'm certain everyone is looking forward to hearing about your experience Nevaeh, so please let us know how you get on.

What's been happening at school?

Sports Day was a huge success!

As a school, we were thrilled that the event could go ahead and we are very grateful to St. Martin-in-the-Fields School for letting us use their grounds. It was disappointing that parents and carers were unable to attend however, the pupils were amazing at cheering one another on. I hope you have all received a photo of your child participating on the day.

The Fenstanton team were very proud of all our pupils who behaved beautifully and showed enthusiasm for the day. There were so many exciting events that used a range of athletic skills. It was also lovely to see so many members of staff join in the tug-of-war at the end - it all got rather competitive! What a great way to end the term and bring the year groups together before the holidays!

Thank you to all those involved.

EYFS

EYFS enjoyed a carousel of sporting activities in the playground at school on July 8th. They were blessed with good weather and had a wonderful time. They particularly enjoyed scrambling through a tunnel and balancing the egg on the spoon!

Some teachers from across the school came to join in the staff race and the children loved watching this. After all their hard work in their sporting activities they enjoyed ice lollies back in their classrooms.

Year 1

Year 2

We had a fantastic time on Sports day! The sun was shining and Falcon Class were winning. We enjoyed the different types of races and our favourite activity was tug of war!

Here are some quotes from Falcon:

Jeanelle:

"My favourite activity was tug of war because we went against teachers and we won!"

Ashly-Nicol:

"My favourite part was when played the egg and spoon race and I felt very happy because we won that race!"

Ellen:

"On sports day, I enjoyed tug of war and egg and spoon. Tug of war was fun because we were going against different teams and different teachers."

David:

"My favourite part was when we played tug of war. I felt excited when we were playing tug of war and jumping over the hurdles was fun!"

Year 4 - Wagtail Class

Here are some quotes from the children of Wagtail Class:

'My favourite part of sports day was when we did the tug of war with the teachers and we WON!' S.F.

'My favourite part of sports day was the tug of war with Toucan class' M.A.

'My favourite part of sports day was the year 4 boys race even though I didn't win a medal' S.SL.

'My favourite part of sports day was when we did the hurdles' E.U. & N.B

'My favourite part was the animal relay race, the bear crawl was the best' B.F.

Year group Sprint Race Winners:

EYFS Boys: J.B. (Flamingo Class)

EYFS Girls: K.K. (Bluebird Class)

Year 1 Boys: Sonny (Swan Class)
Year 1 Girls: T.B. (Nightingale Class)

Year 2 Boys: T.H. (Falcon Class)
Year 2 Girls: Jeanelle Owusu-Phillips (Falcon Class)

Year 3 Boys: Shaedon (Owl Class)

Year 4 Boys: V.M. (Wagtail Class)
Year 4 Girls: F.A. (Wagtail Class)

Year 5 Boys: M.K. (Kestrel Class)
Year 5 Girls: Z.JP.(Goldcrest Class)

Free Cycle Training

Lambeth are offering FREE cycle training courses running out of Clapham Common for children at Lambeth schools.

These are mainly courses for complete beginners but there are also some limited places for intermediate courses and on-road courses.

Please go to the webpage for more information and booking:

<https://www.cycleconfident.com/sponsors/lambeth/>

Lambeth Social Workers in Schools

We are delighted to inform you that Fenstanton Primary School continues to be part of the Lambeth Social Workers in School Service. The service involves working with the London Borough of Lambeth Children and Early Help Services to support pupils and their families in schools across the borough.

The Social Worker will be based on site and will be involved in working closely with school staff to actively promote and support social and emotional wellbeing

for pupils and their families. This will be delivered through one-to-one sessions, family work, workshops, advice, guidance, parenting support, signposting, and training. If your child or family is offered support, you will be contacted directly by the Social Worker whose name is **Dean Bellson**.

Some of you may have already met Mr Bellson, but if not, I am certain you will welcome him and this additional support for our school community. Mr Bellson will be based at Fenstanton on a **Tuesday** and **Wednesday** and we certainly value and welcome this early intervention support for our children and families and look forward to Mr Bellson becoming a familiar face around our school.

Attendance

Monday 12th July - Friday 16th July 2021

Congratulations to Goldfinch Class - 95.52%

and Falcon Class - 92.86%

Our whole school attendance figure for the above week was 88.36%.

Don't forget, our expected level of attendance for all pupils is 96% or above.

Please ensure your child attends school every day and is lining up in the playground five minutes before their start time.

Please do not bring any products containing nuts into school.

Please can we remind you that Fenstanton Primary School is a **nut free school**. Children who suffer from nut allergies can develop a severe, potentially life-threatening allergic reactions. We **cannot** have nuts in school in any form so please can we ask that you have **no nut products** in the lunch boxes or brought into the school.

For example: peanut butter sandwiches, chocolate spreads, cereal bars, some granola bars, cakes that contain nuts, peanut butter cakes, sauces that contain nuts. This list is not exhaustive, so please check the packaging of products closely.

Thank you for your support and thank you for helping to keep our children safe.

Year 6 Leaver Celebrations

Fenstanton have started a crowdfunding project for which we are aiming to raise £500. Our Year 6's would love it if you could donate using the link below to access the project page.

Any contribution large or small will be hugely appreciated.

Thank you!!!

<https://www.crowdfunder.co.uk/fenstanton-year-6-leaver-celebrations>

Pabulum British Food Festival – Monday 27th September to Friday 8th October 2021

We are inviting pupils to take part in our cookery competition running throughout the summer break. This is the first activity in our Pabulum British Food Festival where we are celebrating the great British produce featured on our menus.

We have created a competition to encourage all young aspiring cooks to create and submit their recipes using fresh and seasonal British produce. This could be a family or personal favourite, or even something they have always wanted to try and cook.

Our aim is simple - to encourage our young people to discover the diverse and delicious food grown and produced in Britain. They can get ideas from the supermarket, the market, or the local corner shop – we want to raise awareness and help support a robust market for British food.

The competition is also designed to get families cooking during the summer break. There are lots of benefits to cooking with children – it’s fun, inclusive and gives children a greater awareness of their diets and the food that they eat.

Children who enjoy cooking at home will also benefit in other areas of development, such as their confidence, problem solving, following instructions, creativity and physical skills such as fine motor and eye-hand coordination and or course, food science.

One winner will have the opportunity to have their meal cooked for the whole school by two of our fantastic executive chefs, as well as winning a super cookbook and a British artisan food hamper to take home with them.

We have attached an entry form which contains more details about the competition. Please share this with your parents so that we can get as many children cooking over the Summer holidays as possible.

The pdf can also accompany your weekly newsletter or [downloaded from our website](#). The competition entries should be emailed to welovebritishfood@pabulum-catering.co.uk by 1st September.

The winner will be announced on Wednesday 8th September 2021.

**DESIGN A BRITISH MEAL FOR
PABULUM BRITISH FOOD FESTIVAL**

MY DISH

NAME

SCHOOL

AGE

ABOUT YOUR DISH

1. Please choose a meal that you enjoy eating.
2. Your meal should be balanced and feature all of the food groups, especially vegetables or fruit if your dish is a dessert.
3. Write a brief description of why you have chosen this particular dish, for example, it might be your family's favourite evening meal or a dish you have made with a family member in the past.
4. Tell us where you purchased the ingredients from and if you followed a recipe, where did you find it?
5. Tell us how your meal tasted and why you enjoyed eating it.
6. Please take pictures of your meal and if possible, some pictures of you when you were making it - we would love to see them.

RULES

1. Please email all entries and pictures to our email address: welovebritishfood@pabulum-catering.co.uk Unfortunately we will be unable to accept any entries received after 1st September 2021.
2. Our judges decision will be final and the winner will be announced on 10th September 2021.
3. There will be one winner and two runners up from all entries across our Pabulum business.
4. This competition is open to pupils who are under the age of 12 years old on 1st September 2021.

**GOOD LUCK!
WE ARE LOOKING
FORWARD TO RECEIVING
YOUR ENTRIES.**

pabulummm
HONESTLY GOOD FOOD

Here is a list of free activities and places to visit in London if you wish over the holidays. We can't wait to hear all about your adventures in September.

Free things to do in London

- Visit Brixton Windmill
- Lunchtime concerts at Royal Academy of Music
- Mayfield Lavender
- Royal Opera House Live At Lunch performances
- Covent Garden street performers
- Historical Big Ben talks outside of Westminster Abbey
- The Sky Garden in the Walkie Talkie building
- Visit Kyoto Gardens
- Visit the Barbican Conservatory
- Paddington's floating Pocket Park
- The Roman Temple
- Visit the dinosaurs in Crystal Palace Park
- The Rookery in Streatham (There is a market every 3rd Saturday of the Month)
- Vauxhall City Park Farm
- Crystal Palace Park Farm
- Backstage High Level Walkway at the National Theatre
- Visit Wandje Park, follow the Wandje trail and visit the Windmill
- The viewpoint at Addington Hill
- Croydon's Airport visitor centre
- Visit Shirley Museum
- Visit Degen City Farm
- Battersea Cat's and Dog's home (Small donations are encouraged)

Free Museums

- British Museum
- Horniman Museum
- The chocolate museum in Brixton
- The Natural History Museum
- Queen's House Greenwich
- Science Museum
- The National Gallery
- Tate Modern (Also catch free children's art workshops)
- Tate Britain
- RISE gallery
- Croydon Museum

Lambeth Children and Young People's Readers & Writers Festival 2021

A GUIDE TO EVENTS IN OUR LIBRARIES
SPRING TO SUMMER 2021

www.lambeth.gov.uk/ReadersandWriters

Lambeth Children and Young People's Readers and Writers Festival

This is an **online Readers and Writers festival** with a range of events and activities for CYP – starting on 1st June. This is our first Lambeth Library festival specifically dedicated to children and young people in over 12 years.

To book on Eventbrite, please visit:

<https://www.eventbrite.com/o/lambeth-libraries-17776185319>

A fantastic literary festival dedicated solely to children and young people. We have a packed programme of events to suit all tastes, whether you enjoy reading, writing, discussion or simply sitting back and listening. Come and join us and express yourself! You'll be amazed at the fun you can have in your local library.

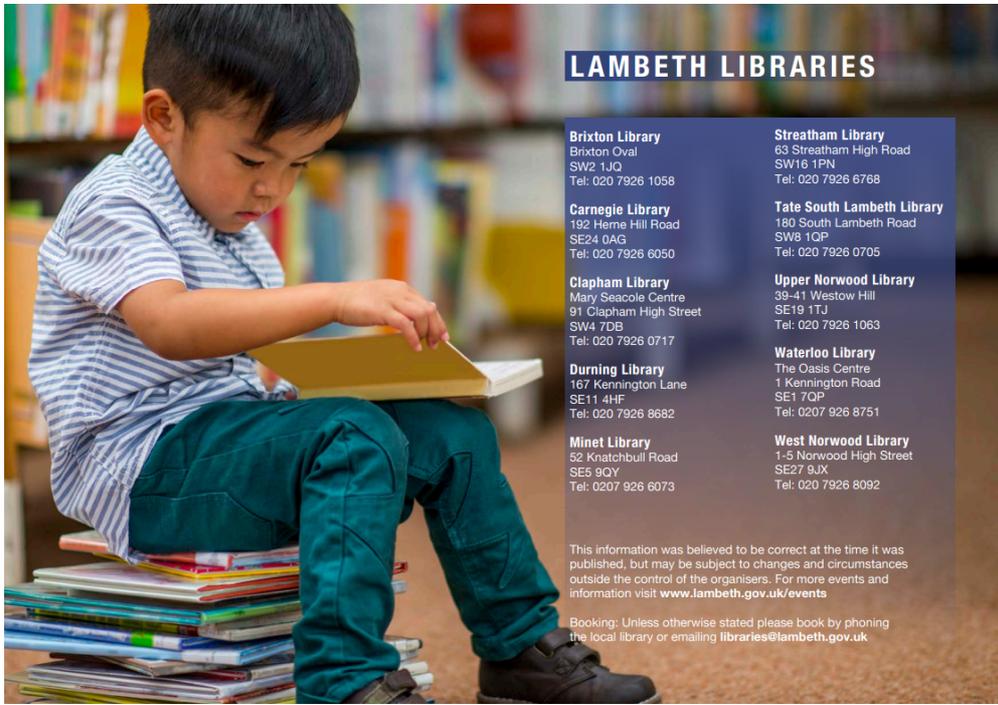

Cllr Sonia Winifred
Cabinet Member for Equalities and Culture

INCLUSIVE ENGAGEMENT FORUM

Help us develop Lambeth's first SEND Youth Forum

101862 (2.21)

Join us and help us to make sure:

- We give young people with SEND a chance to make changes to Lambeth and their community
- The services we provide are the right ones and that they meet your needs
- The views of young people with SEND are represented across all youth forums
- You are heard!

Various incentives awarded for full membership and consistent participation in the forum. Contact jmartello@lambeth.gov.uk or call **07999 019 189** for further information or to express your interest!

Stranger Danger Safety Reminders

Dear Parents and Carers

We are aware that there have been recent reports of stranger incidents in the media and locally recently. Thankfully, whilst these did not directly affect any of our pupils, we want to continue to work in partnership with you to help keep your child safe whilst they are walking to and from school.

Please see the link below for KS1 and Lower KS2 Parent Leaflet for more information:

[LINK: Clever Never Goes Parent Leaflet](#)

Parent Leaflet for KS2:

STRANGER DANGER 5 TOP TIPS

1) WHO'S WHO?

A stranger is anyone that your child doesn't know or doesn't know very well. It's both common and dangerous for your child to think that 'strangers' look scary or sinister, like villains in films or cartoons. In a recent survey the majority of children aged between 5-8 thought this. Play a game with your child and ask them to draw a stranger, it will help you reinforce that a stranger can look like anyone. Tell your child that they won't be able to tell if a stranger is nice or not, so all strangers should be treated in the same way.

2) DON'T GO - SAY NO!

If your child is approached by a stranger, encourage them to raise the alarm by saying 'NO' to draw attention. They should not be scared to do this and be told that it is the right thing to do. For children aged between 3-4, be careful not to scare them too much but start with "there are bad people so it's very important you never..." All children should ask for help from other adults. Teach them to look out for people in uniforms such as police officers, or teachers and traffic wardens if they're at the school gates. Teach your child this basic slogan, 'DON'T GO, SAY NO'.

3) PLAN AHEAD

As obvious as it seems, please stress to your child that they should NEVER talk to a stranger, NEVER accept gifts or sweets, and NEVER walk off or get into a car with one. This is important if your child is between 5-8 as they are at their most vulnerable. This situation might arise if you are late collecting them from school for example, so agree a plan with your child that they know you will stick to if you are late. For example, teach them that you would only ever send a teacher from their school or a friend's parent, that they recognise to collect them if you aren't able to. Give your child your home, work and mobile numbers so they can reach you at all times, especially if they're aged around 9 - 11, as they will be spending more time on their own.

4) TIME TO TEACH

Tell your child that even if they are not sure if someone is a stranger they should always behave in the same way and not take risks. Teach them stock phrases to help give them confidence. For example: a child offered money or sweets should respond, 'No thank you. Please leave me alone' It's important children don't think that talking to a stranger is ok if they're with a friend. Teach them they should only talk to someone they don't know if you are there by their side.

5) PRACTICE MAKES...

One way you can prepare your child is by practice scenarios. Try playing a game called, 'What if?' Discussing and thinking about what to do is often more helpful than having the 'right' answers. Ask them what to do if a stranger approaches them to help reinforce the advice 'DON'T GO, SAY NO' By practising these strategies in a fun way, your child will be as equipped as possible should difficult situations arise. It's important to have this conversation regularly, especially with young children so make time every 3 - 4 months. Remember 'DON'T GO, SAY NO'

With many people having enjoyed more walking and cycling during lockdown, and families being asked to consider whether they can walk or cycle, now is a great time to bring road safety to life for children. Here are some new and updated tips from 'Tales of the Road' to help keep our children safe whilst out and about:

Walking

The Green Cross Code

The steps you need to follow to cross the road safely

1 First find a safe place to cross

...and where there is space to reach the **pavement** on the other side. Where there is a crossing nearby, use it. It is safer to cross using a pedestrian **subway**, a **footbridge**, a **pedestrian island**, a **zebra**, **pelican**, **toucan** or **puffin** crossing, or where there is a crossing point controlled

by a police officer, a **school crossing patrol** or a traffic warden.

Otherwise choose a place where you can see clearly in all directions.

Try to avoid crossing between parked cars, on a **blind bend** or close to the **brow of a hill**. Move to a space where drivers and riders can see you clearly. Do not cross the road diagonally.

② Stop just before you get to the kerb

...where you can see if anything is coming. Do not get too close to the traffic. If there is no pavement, keep back from the edge of the road but make sure you can still see approaching **traffic**.

③ Look all around for traffic and listen

Traffic could come from any direction.

Listen as well because you can sometimes hear traffic before you see it.

④ If traffic is coming, let it pass

Look all around again and keep listening.

Do not cross until there is a safe gap in the traffic and you are certain there is plenty of time.

Remember, even if traffic is a long way off, it may be approaching very quickly.

⑤ When it is safe, go straight across the road – do not run

Keep looking and listening for traffic while you cross, in case there is any traffic you did not see, or in case other traffic appears suddenly.

Look out for cyclists and motorcyclists travelling between lanes of traffic.

Do not walk diagonally across the road.

The Green Cross Code

1. Find a safe place to cross
2. Stop just before you get to the kerb
3. Look all around for traffic and listen
4. If traffic is coming, let it pass
5. When it is safe, go straight across the road – do not run, keep looking and listening while you cross.

Cycling

Your bike – check it out

Make sure your cycle is safe to ride – You **MUST** ensure your brakes are efficient and tyres should be working well. Make sure your front and back lights work well, and your back reflector is clean.

When you have to carry anything on your cycle, use a bike bag or basket. Make sure you do not wear any loose clothing so that nothing can get caught in the chain or wheels.

It is recommended that you fit a bell to your cycle.

Before you set off

Always wear a cycle helmet that is the correct size and securely fastened – it will help to protect your head if you fall off.

Help other road users to see you. Wear light coloured or **fluorescent** clothing in daylight and at dusk, and something reflective at night.

Do not ride a bike that is too big or small as it can affect your balance.

Cycling in the dark

Wear reflective clothing and/or a reflective backpack or accessories (belt, arm or ankle bands) in the dark.

Before setting off make sure your lights are clean and are working. The lights **MUST** be lit at night.

At night your cycle MUST have a white front light and a red rear light, and they MUST be lit. Your cycle MUST be fitted with a red reflector at the back.

Remember if you have a dynamo on your bike your lights can go out when you stop.

Cycling

On your bike

When you get on your bike look all around for traffic. Before starting off, turning right or left, overtaking, or stopping, you must look behind and make sure it is safe and then give a clear arm signal to show other road users what you intend to do (see page 46). When it is safe to move off, cycle away.

Always keep both hands on the handle bars unless you are signalling or changing gears.

Be particularly careful near large vehicles like lorries and buses. The drivers may not be able to see you.

Do not ride in the space between the vehicle and the **kerb**, because they may be going to turn left and you could be hurt.

When turning from one road into another, pedestrians who are crossing the road have **priority**, so **give way**.

For lots more information and to use the interactive workbook go to:

<https://www.think.gov.uk/wp-content/uploads/2020/07/Tales-of-the-Road.pdf>

Primary school 'ParentLine'

ParentLine is a messaging service for parents and carers of school aged children in Lambeth and Southwark. Parents and carers can message a school nurse to get confidential advice about their child's health related issues. School nurses work during school holiday periods, so you can get in touch then too.

Find out more about the service and confidentiality on the [Evelina London website](#).

The ParentLine number is **07520 631 130**. This is a text number only and cannot receive phone calls.

10 THINGS CHILDREN CAN DO AT HOME TO HELP THEM COPE WITH ANXIETY

Get a pen and paper and write down what you are thinking and feeling. This can be a useful technique to express yourself and get things off your mind

If you feel anxious breathe in for a count of three, then breathe out for a count of three. Get into a slow and steady rhythm

Talk to your family about how you are feeling. Don't be afraid to talk about negative thoughts or emotions

Focus your attention on something else. Try and fully concentrate on an activity that you are doing

If you are worried write down all the solutions to your problem. Come up with an action plan with your parents to overcome the problem

When you feel anxious close your eyes and imagine yourself in a calm and happy place

 @BELIEVEPHQ

Create a self soothe box. This is a box that contains activities linking to all your senses that help calm you down

Tear up a number of pieces of paper and write down activities you can do that will help you manage your anxiety. Put these activities into a jar and each time you feel anxious pull an activity out of the jar to start engaging with

Author of the Week!

Every week a popular children's author or illustrator will provide you with free books, exclusive videos and their top three recommended reads.

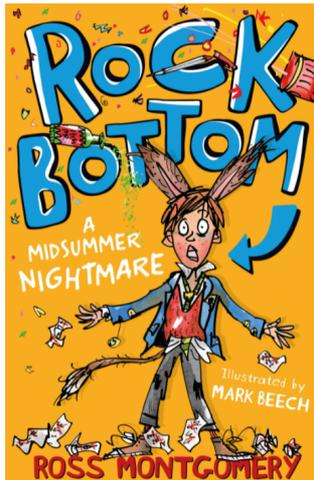

Having access to a school library is really important for children. School libraries nurture a love of reading that can enrich children's literacy skills, academic achievements and mental wellbeing. This Virtual School Library will ensure that children have access to the magical world of stories all year round, whether they are learning at school or at home.

Let's see who the next 'Author of the Week' is!

Our author of the week is Ross Montgomery!

It's almost the summer holidays! If you're looking for a new story to get stuck into before freedom begins, try *Rock Bottom* by our author of the week, Ross Montgomery!

Tempted? Check out the video with Ross below to learn more about the book, have a look at his favourite children's books and read his best reading tips.

What would you do if the girl you loved thought you were just a joke? Nick has a great idea to win over Jessie's heart – he'll get the leading role alongside her in the school play, *A Midsummer Night's Dream*. But when he is cast as the foolish joker Bottom instead of the romantic hero, his whole scheme falls apart. Enter Robyn, school prankster, who has a sneaky idea to put Nick back in the spotlight and finally get him noticed. But when opening night rolls around, one by one their grand plans go up in smoke!

Listen to the Audiobook and watch the video here: <https://www.thenational.academy/library/dont-reach-rock-bottom-with-ross-montgomery>.

Tulse Hill Adventure Playground will also be offering a summer programme Monday-Thursday 1-5pm from August 2nd until the 26th. Our Saturday sessions will also continue throughout the summer (see flyer below).

The summer programme will include a free meal, one take and make box for the family to cook a meal together each week and some trips out (including to flip out, water wipe out and to the seaside).

Sessions are free for children aged 8-16 and they can sign up on the day or contact us at youth@high-trees.org for a registration form.

Tulse Hill Adventure Playground | SW2 2EY

Join us for roller skating, zip line, go karts, arts and crafts, cooking, sports, woodwork and adventure play!

You can also take part in trips out and events at the playground.

Amazing Animals!

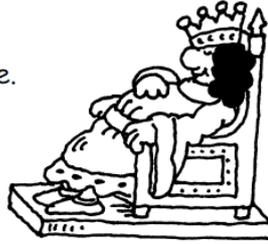

This week's amazing animal is the Hedgehog! Here are some fun facts that you might not know:

1. Invertebrates are a hedgehog's favoured food, with beetles, slugs, earthworms and caterpillars high on the menu.
2. It was once believed that hedgehogs stole milk straight from cows' udders, but they are actually lactose intolerant – so don't leave milk out for them!
3. Hedgehogs spend much of their life asleep, hibernating through the winter months in a nest made from fallen leaves in a sheltered spot. They emerge in spring but will spend the day sleeping, becoming active after the sun has gone down.
4. Our best chance of seeing a hedgehog is by putting out some suitable food in your garden, such as wet cat food or our hedgehog food, and hope you are visited in the night.
5. Sadly, the UK's favourite spiky little mammal is in serious decline and this is believed to be caused by loss and damage of suitable habitat depriving the species of both food and shelter from badger predation.

KS1 Challenge!

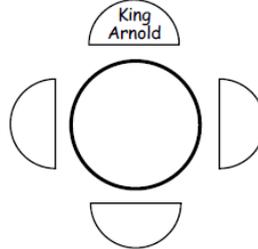

King Arnold

King Arnold sits at a Round Table.

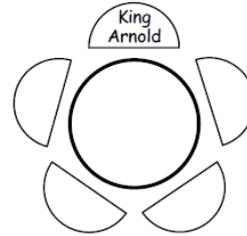

There are 3 empty seats.

In how many different ways can 3 knights sit in them?

What if there are 4 empty seats?

In how many different ways can 4 knights sit in them?

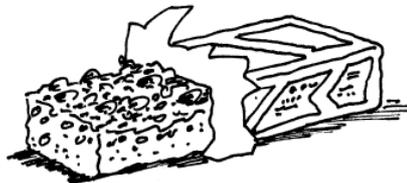

KS2 Challenge!

Spendthrift

Choc bars cost 26p each.

Fruit bars cost 18p each.

Anil spent exactly £5 on a mixture of choc bars and fruit bars.

How many of each did he buy?

Phonics Corner!

Welcome to our Phonics Corner, where you'll find links to weekly videos to support your child in blending their known sounds. For those who are confident with their blending, there will also be a phase 5 caption for your children to practise reading.

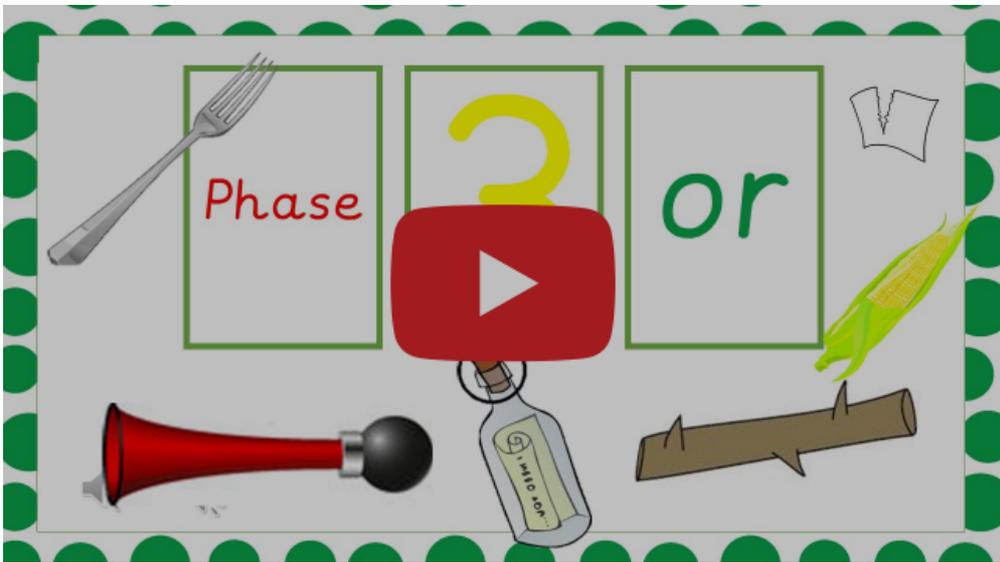

Please don't hesitate to ask any questions you may have around phonics with either your child's class teacher or a member of the senior team.

Have fun!

Blending practise
WB 19th July: Blending ai

The video player shows a word 'tail' split into three boxes: 't', 'ai', and 'l'. A red play button is in the center. A blue arrow points from the 'ai' box to a cartoon dog with brown spots and a red collar.

here to the house
to eat pies.**

**Mr Paul called
out how much
time they had left
to make a toy.**

Drop off and Pick Up Times

All children need to wait in their zones to be collected by staff each morning.

Please enter the school site using the KS2 gate, follow the one-way system and exit the school site using the KS1 gate.

Please wear a face mask at all times and social distance.

Staying safe and getting back to normal Let's keep infection rates down

In Lambeth there are a range of ways that people can keep each other safe from the coronavirus, be supported to self-isolate and easily access the life-saving Covid-19 vaccine.

Get tested

As well as observing guidelines on social distancing, mask wearing and handwashing, if you're planning to meet someone outside of your household, please protect those around you and take a rapid test. Order your free test kits online, from a local pharmacy, visit a mobile testing unit or our health and wellbeing bus (see overleaf). For details, visit www.lambeth.gov.uk/covidcommunitytest

Self-isolate if you have symptoms or test positive

If you have COVID-19 symptoms or have tested positive, Lambeth Council may be able to help you. They offer rapid financial, practical and emotional support to help you self-isolate for 10 days, and an option to stay in a hotel to protect the people you live with. Call 0800 054 1215 to get support and find out more.

101963 (5.21)

Get vaccinated

Getting vaccinated is the best way to protect yourself and your loved ones and to help us all get back to normal. Two doses provide the best protection including against new variants of the virus.

If you have questions about the vaccination, you can speak to one of our Covid wellbeing ambassadors or visit our Vaccine Facts website. Find out more on the next page.

Get help to self-isolate

We can connect you to the practical and emotional support you need, through our **Stay home safely support service**. Call [0800 054 1215](tel:08000541215), 9am to 5pm, 7 days a week. You may also be able to get a [£500 payment](#) if you need to self-isolate or are caring for someone who is if you cannot work from home and you are on a low income.

Local support is available, <https://beta.lambeth.gov.uk/coronavirus-covid-19/coronavirus-covid-19-find-what-support-available/advice-help-self-isolate> including help with practical things like shopping and medication. You may be eligible for a £500 support payment if you are on a low income. Lambeth Council will be providing updates and information related to the surge testing on their website here: <https://beta.lambeth.gov.uk/enhanced-coronavirus-covid-19-testing-lambeth/how-get-test>

Keep washing those hands!

Don't forget - It is so important that we not only look after ourselves but also our friends and our teachers. The best way for us to do this is to wash our hands often!

Information for parents/carers can be found on our [Coronavirus \(COVID-19\) advice and support for parents and carers](#) page. This includes [working from home](#), [parent/carer mental health](#), [advice for separated parents](#), [managing conflict and tension during lockdown](#), [supporting children with special educational needs](#) as well our [Net Aware Online safety in lockdown hub](#), co-created with O2.

Online safety – Parental resources

Ineqe – offers general advice and guidance around online safeguarding:

/ <https://ineqe.com>

Parent Zone – full of lots of resources and tips for positive digital

/parenting: <https://www.parents.parentzone.org.uk>

Common sense media – guides on safety of specific apps/games/films

etc <https://www.common sense media.org/about-us/our-mission>

Resources specific to radicalisation

/- <https://www.internetmatters.org/issues/radicalisation>

If parents are worried their child might be being radicalised/caught up in an
/extreme group – they can get advice through this website - <https://actearly.uk>

Children are bound to spend lots more time on devices during school closure. **DON'T FEEL BAD ABOUT IT** – lots will be schoolwork or catching up with friends. But there are ways to keep them safe, healthy and happy.

Don't worry about screen time; aim for screen quality

Scrolling through social media isn't the same as making a film or story, or Skyping Grandma. Use the Children's Commissioner's 'Digital Five A Day' to plan or review each day together.

Check the safety settings are turned on

Whether it's your home internet, mobile devices, consoles, apps or games, there are lots of settings to make them safer. The key ones are - can they chat to strangers, can they video chat or 'go live'; are their posts public? **Internet Matters** has hundreds of guides to parental controls.

Get your children to show you their apps and games

You don't need to know all about the latest app or game, but if your child shows you what they are doing and with whom, you'll probably see if it's appropriate or not. Remember 18 games are not more advanced – they are harmful to children! For parent guides to apps, including recommendations for kidsafe apps and video platforms, search for **Common Sense Media** or **NSPCC's NetAware**. And why not download the **BBC Own It** app?

Don't try to hide the news about coronavirus

If you don't talk about it, your children might read inappropriate pages, believe scare stories or simply catastrophise in their heads. Why not watch **Newsround** together and talk about how they feel – there is guidance from **Childline** to help you.

Remind them of key online safety principles

There are too many to list, but remember human behaviour is the same online and offline. Remind your children to be a good friend, to ask for help if they are worried or if someone is mean, not to get undressed on camera and most important of all... if somebody tells them not to tell or ask for help because it's too late or they will get in trouble, **THAT'S A LIE!**

If you aren't sure, ASK!

Your school may be able to give you advice, but there are plenty of other places to ask for help as a parent or a child, whether it is advice or help to fix something. Lots of sites are listed at reporting.lgfl.net, including ones to tell your kids about (they might not want to talk to you in the first instance).

You can find anything above by just googling it, or follow us @LGfLDigiSafe on Twitter or Facebook where we regularly share these resources

Continue to impress your teachers by practising on [Numbots](#) and [Times Tables Rock Stars!](#) Your log-ins work for both.

Home Learning

We are delighted to be able to inform you of our Remote Learning Offer for all of our GHF schools.

All EYFS remote learning will be accessed through Tapestry. This will be accessed by parents/children through accounts that have already been set up by your child's class teacher that you are currently using.

All remote learning for KS1 and KS2 will be accessed through Microsoft TEAMS. All children will be linked to their 'virtual classroom' and will be able to access all remote learning through this platform.

Thank you in advance for your continued support and for continuing to work in partnership with us. With your support we can provide the very best education for all our children enabling them to achieve the highest standards to academically make progress in their learning.

If you have any concerns please do not hesitate to email your school office.

[Visit our school website](#)
