

2022 Year 6 SATS

Week commencing 9th May 2022

Presentation will cover :

*the timetable

*the SATs papers - opportunity to look through them

*marking the SATs

*what we are doing in school (teaching provision / inclusion)

*How you can help?

*During SATs week

SATS week timetable

Monday- Spelling, punctuation and Grammar

Tuesday- Reading

Wednesday- Maths Arithmetic and Reasoning 1

Thursday- Maths Reasoning 2

ALL children attend daily
breakfast club from 8am.

Arithmetic

Maths

2x Reasoning papers

Will the tests only cover Year 6 work?

The questions in the Key Stage 2 SATs Maths tests will be taken from the new national curriculum and will include a variety of work from Year 3, Year 4, Year 5 and Year 6.

What types of question will come up?

There will be a mixture of question types from across the curriculum:

- > The arithmetic test will contain questions from the Number and Place Value, Calculations, Fractions, Ratio and Proportion and Algebra sections of the curriculum.
- > Papers 2 and 3 will contain questions from the Number and Place Value, Calculations, Fractions, Ratio and Proportion, Algebra, Measurement, Geometry and Statistics sections of the curriculum.

Reading

What is the format of the test?

There is only 1 reading paper. It is 1 hour long and is worth 50 marks. As usual, they will have a reading booklet containing the texts they have to read and the questions are in the answer booklet.

How many texts will there be in the reading booklet?

There will be 3 texts in the reading booklet. Following on from the recent changes to the reading booklet, the texts will not be linked by any particular theme. The texts will, however, be ordered by difficulty, so the most demanding text will be at the end.

The reading booklet will contain a variety of different texts. They will ensure a mixture of fiction, non-fiction and poetry and the texts may be from different times or origins.

What types of question will come up? Are they all comprehension?

There is a strong focus on comprehension and inference, but as always the questions will vary in type and difficulty. Areas covered in the Key Stage 2 Reading Test include:

- > Inference
- > Commenting on themes
- > Summarising
- > Explaining the meaning of key words or phrases
- > Making predictions
- > Commenting on the use of language and presentational features

Some questions will be worth more marks than others, depending on their layout.

SPAG: Spelling Punctuation and Grammar

What is the format of the tests?

	Paper	Time Allowed	Marks Available
Paper 1	Grammar and Punctuation Questions	45 minutes	50 marks
Paper 2	Spelling Test (20words)	No set limit - Approx. 15 minutes	20 marks

Will there be a writing test?

No. A few years ago, writing tests were included as part of the Key Stage 2 SATs tests, but these have now been removed. Writing is looked at in the teacher assessment, but not in the tests.

How will the spelling test be administered?

The spelling test consists of 20 words. The test will be administered aurally, so each word will be read out and will also be read as part of a sentence. (For example, the words bread and bred sound the same, so reading the word as part of a sentence shows which form to spell).

What types of spellings will be included?

There will be a range of different spellings included, taken from the full range of the Key Stage 2 English curriculum (years 3 to 6).

How Will The 2022 SATs Be Marked?

What will replace National Curriculum Levels in the Key Stage 2 SATs exams?

Since 2019, the introduction of the new national curriculum has led to the discontinuing of the use of "levels". So, the new Key Stage 2 SATs will no longer produce a level at the end. National curriculum levels will be replaced by scaled scores.

How will scaled scores be worked out?

The papers will be marked and the raw scores will be added together for each section (Out of 110 for maths, out of 50 for reading and out of 70 for SPaG). The raw scores will then be converted into scaled scores. This ensures that scaled scores keep their meaning from one year to the next, making it easier to make comparisons.

English Reading	
Raw score	Scaled score
0	No scaled score (N)
1	
2	
3	80
4	80
5	81
6	82
7	83
8	84
9	85
10	86
11	87
12	88
13	89
14	90
15	90
16	91

English Reading	
Raw score	Scaled score
17	92
18	93
19	93
20	94
21	95
22	96
23	96
24	97
25	98
26	98
27	99

What will the scores I receive mean?

The scaled scores parents/carers receive will give an indication of whether or not a child has reached the national expected standard for their age in that particular subject :

<99 working below expected standard for year 6 (some knowledge and skill gaps in their learning)

100-110 working at expected standard for year 6 (good acquisition of knowledge and skills)

112+ working above expected standard for year 6 (Greater Depth - secure acquisition of knowledge and skills)

What we are doing in school?

- Small group teaching
- Interventions
- Extra revision classes / booster in the afternoons.
- Easter Revision Camp
- CGP revision guides.

What can you do to help your child?

- Read a range of texts at home and ensure reading is happening daily
- Make sure homework is done weekly and handed into school
- Use the CGP study guide books to support with homework
- Ensure attendance at Easter revision camp and boosters
- Practise times tables and corresponding division facts
- Attend the parent workshops on offer
- Don't stress!

During SATs week - w/c 9th May '22

- Early nights
- Breakfast club @8am Mon-Thurs
- Bottle of water / piece of fruit
- Stay well!

Any questions ?
