A Message from The Senior Leadership Team

Dear all,

It's been another busy week at Fenstanton, our pupils have been doing their bit for the environment by aiming to walk to school more often, lots of our families were celebrating Eid last weekend and many classes have been getting to know the *Clever* mascot for a new teaching programme 'Clever Never Goes' giving children practical safety skills.

If you didn't spot it last week, please check out the new phonics corner section at the bottom of our newsletter that has weekly links to videos for practicing blending sounds with your children and some tricky captions to read. As ever, reading remains the foundation to children's learning so please continue to enjoy books and a range of texts with them at home every day.

We are excited to have received lots of applications for both nursery and reception places at Fenstanton for next academic year and we can't wait to start meeting our new families at their enrolment meetings next half term. There are still some places available, so please do let any friends or neighbours looking for school places know about us. Nursery applications are made direct with the school and reception places are via Lambeth e-admissions.

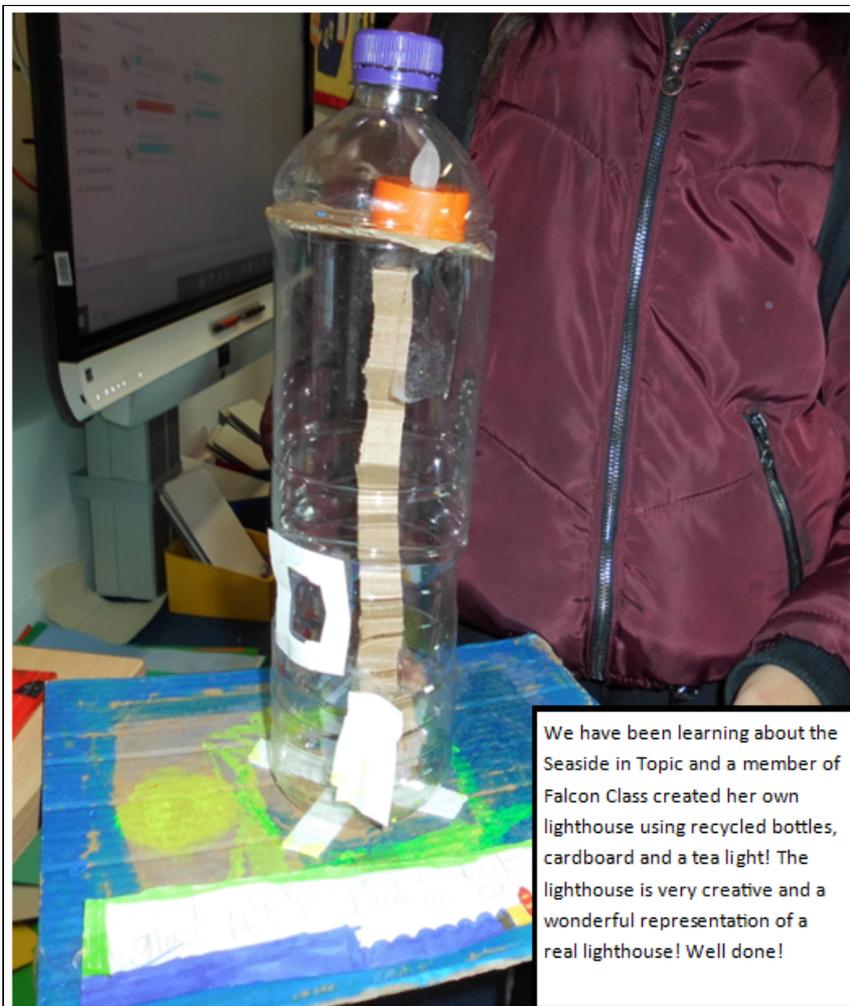

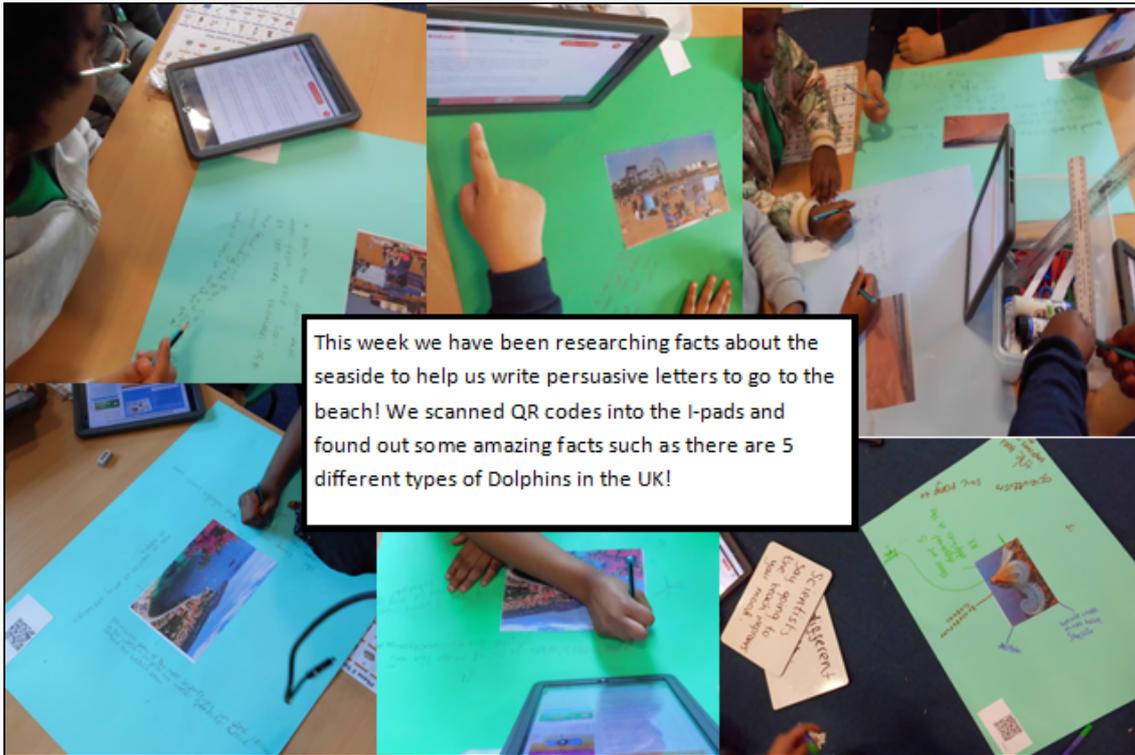

Whilst the National Covid guidance changed at the start of this week, there have been no updates to our school risk assessment and we would urge all families to continue following the measures we have in place. Most importantly please do not send your child into school if they are displaying symptoms but book a test immediately. In addition, please continue with regular hand washing and social distancing along with wearing masks whilst on the school site.

Thank you for your continued support.

The Senior Leadership Team

What's been happening at school?

Year 2 - Falcon Class

Year 3

In year 3 we have been exploring measurement. We have been looking at measuring the lengths of things and also comparing lengths.

Date 11.5.2021
WALT: measure length (M)

1 Look around your classroom.
Choose 10 objects.

a) Estimate which objects are longer than 1 metre and which are shorter than 1 metre.
b) Draw each object in the correct part of the table.

Longer than 1 metre	Shorter than 1 metre
<p>Paper ✓ ruler ✓ white board ✓ hole class room ✓ window ✓ table ✓</p>	<p>pen ✓ pencil ✓ paper ✓ chair ✓ book ✓ table ✓</p>

c) Use a metre ruler to measure your objects.
Did you put them in the correct column?
d) Which object is closest to 1 metre long?

2

Dexter: I am 1 metre and 8 centimetres tall.
Ron: You can write this as 1 m and 8 cm.

Do you agree with Ron? _____
Talk about it with a partner.

Complete the sentences.

a) Dexter is 1 _____ and 8 _____ tall.
b) Dani is 1 metre and 21 centimetres tall.
Dani is _____ m and _____ cm tall.
c) Scott is 1 metre and 11 centimetres tall.
Scott is _____ and _____ tall.

Date _____

_____ and _____ tall.

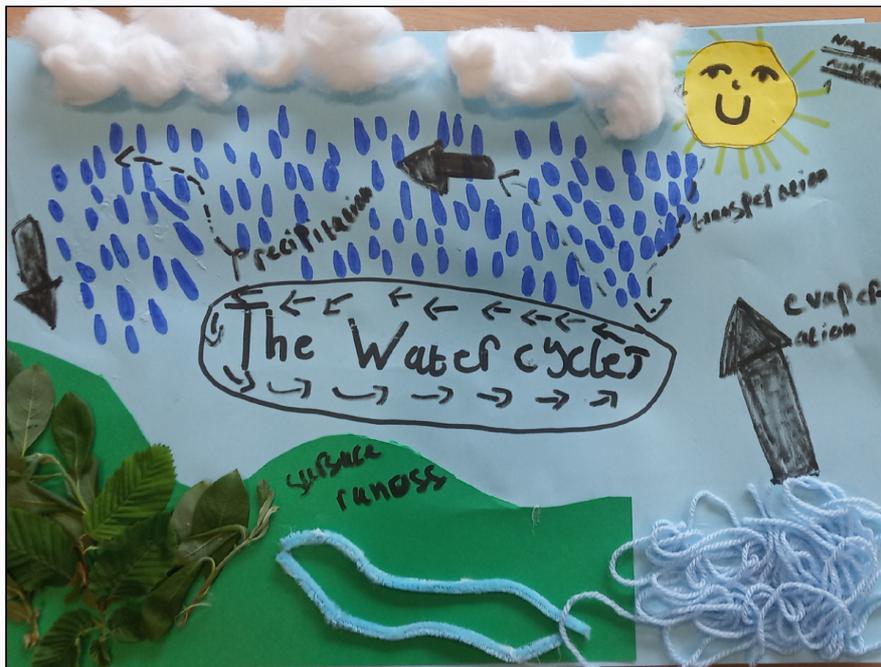

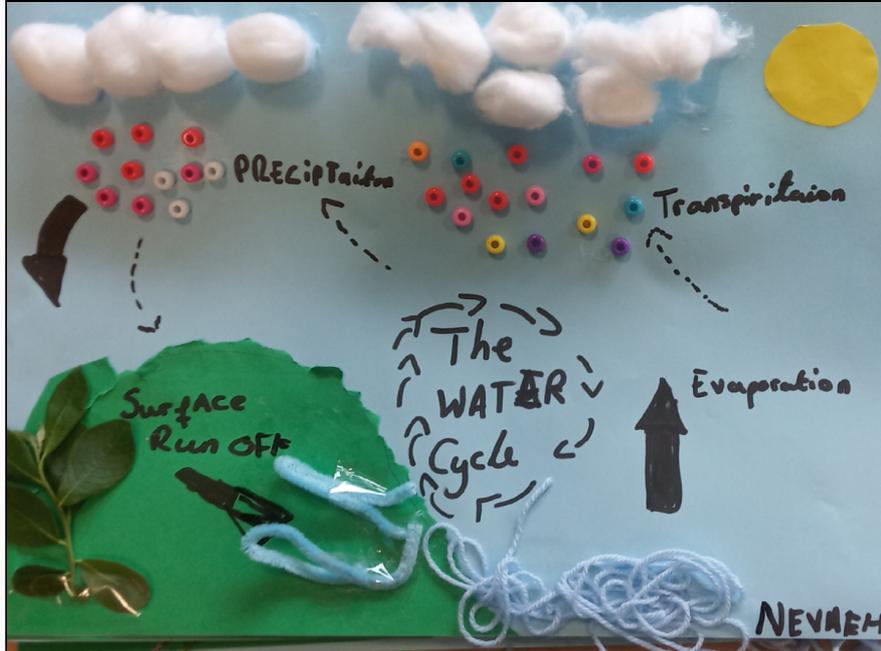

Year 4

Toucan Class

We have been learning about the water cycle in Year 4. We learnt all about how the sun evaporates water from oceans and lakes; then it turns into clouds. Once the clouds get large enough, precipitation will land on the ground and make its way back into the oceans.

In our lesson, we used a range of materials and techniques to create a collage. Here are some of the pieces we created.

Wagtail Class

This week we have been getting creative!

We used a ripping technique to create an effect round the edges of the waves and mountains!

We then arranged the different materials to create a landscape!

Here are some pictures!

EAL - Ms Hunt

Week beg: 10.05.2021

WALT – Fruit and Vegetables

EAL Learners

For two weeks, we have been learning about fruit and vegetables. The shape, colour and the size of them. We have learnt about healthy eating too. We also had the opportunity to sample every fruit and vegetable. We even ate foods that we had not tried before, cooked and uncooked. We made our own fruit using different resources.

We talked about which fruits we liked and disliked. Can you guess what they were?

Book Donations!

We have received an unbelievable gifting of over 1,400 books, all thanks to Children's Book Project! They dropped off amazing, high-quality texts for the children at Fenstanton Primary School. Some of the authors include your favourite Roald Dahl and Michael Morpurgo! We're also creating a school library for these wonderful books so children can dive into these books. Thank you too Children's Book Project for this fantastic gift!!!

Attendance

Monday 10th May - Friday 14th May 2021
Congratulations to Nightingale Class - 94.50%
and Chaffinch Class - 90.71%

Don't forget, our expected level of attendance for all pupils is 96% or above.
Please ensure your child attends school every day and is lining up in the playground
five minutes before their start time.

Eco Team at Fenstanton

We are in the very early stages of launching and developing our Eco Team at Fenstanton. We will provide updates as we move forward so please look out for more information soon.

We have been able to enter a Lambeth competition to win a compost bin and will soon know if we are winners! Wish us luck!

Fenstanton School Council

Fenstanton School Council is in session!

A group of students, nominated by their peers, have been getting together to ensure that the student voice is being listened to. Every Wednesday, a different council member leads the meeting where ideas from across the school are discussed by the representatives of each class.

Big ideas are brewing in this council so watch this space!

INCLUSIVE ENGAGEMENT FORUM

Help us develop Lambeth's first SEND Youth Forum

101862 (2.21)

Join us and help us to make sure:

- We give young people with SEND a chance to make changes to Lambeth and their community
- The services we provide are the right ones and that they meet your needs
- The views of young people with SEND are represented across all youth forums
- You are heard!

Various incentives awarded for full membership and consistent participation in the forum. Contact jmartello@lambeth.gov.uk or call 07999 019 189 for further information or to express your interest!

Somos Lambeth Project

We are also pleased to be able to offer our Portuguese - speaking pupils in Year 5 Portuguese lessons which will take place once a week.

Lessons will be taught by Luisa Ribeiro, who teaches at City Heights E-ACT Academy and is made possible through the developing partnership between both schools.

Watch this space for updates on the progress pupils are making in their Portuguese lessons.

Science Week Parent/Carer Volunteers needed!

We are looking for some parents/carers to come in and give a talk to the children about what they do for work and share some of their expertise for Science week.

We would need you to come in during the **first week back after half term from Tuesday onwards**, but we may have some flexibility around this.

The kind of jobs we're looking for are:

Y1 & 2: Anything to do with **animals** and their habitats - maybe someone who works in a zoo or museum, or someone who has a few interesting pets?

Y3: Anything to do with **plants** - maybe a gardener or someone who has an allotment or a greengrocer?

Y4: Anything to do with **electricity** - a sparky or mechanic?

Y5: Anything to do with properties of **materials** - an architect? a clothes designer? chefs?

Y6: Someone who can talk about **light**: photographers? film makers? interior designers?

Please talk to the office or to Mr Crewdson if you are interested.

Thank you!

Stranger Danger Safety Reminders

Dear Parents and Carers

We are aware that there have been recent reports of stranger incidents in the media and locally recently. Thankfully, whilst these did not directly affect any of our pupils, we want to continue to work in partnership with you to help keep your child safe whilst they are walking to and from school.

Please see the link below for KS1 and Lower KS2 Parent Leaflet for more information:

[LINK: Clever Never Goes Parent Leaflet](#)

Parent Leaflet for KS2:

STRANGER DANGER 5 TOP TIPS

1) WHO'S WHO?

A stranger is anyone that your child doesn't know or doesn't know very well. It's both common and dangerous for your child to think that 'strangers' look scary or sinister, like villains in films or cartoons. In a recent survey the majority of children aged between 5-8 thought this. Play a game with your child and ask them to draw a stranger, it will help you reinforce that a stranger can look like anyone. Tell your child that they won't be able to tell if a stranger is nice or not, so all strangers should be treated in the same way.

2) DON'T GO - SAY NO!

If your child is approached by a stranger, encourage them to raise the alarm by saying 'NO' to draw attention. They should not be scared to do this and be told that it is the right thing to do. For children aged between 3-4, be careful not to scare them too much but start with "there are bad people so it's very important you never..." All children should ask for help from other adults. Teach them to look out for people in uniforms such as police officers, or teachers and traffic wardens if they're at the school gates. Teach your child this basic slogan, 'DON'T GO, SAY NO'.

3) PLAN AHEAD

As obvious as it seems, please stress to your child that they should NEVER talk to a stranger, NEVER accept gifts or sweets, and NEVER walk off or get into a car with one. This is important if your child is between 5-8 as they are at their most vulnerable. This situation might arise if you are late collecting them from school for example, so agree a plan with your child that they know you will stick to if you are late. For example, teach them that you would only ever send a teacher from their school or a friend's parent, that they recognise to collect them if you aren't able to. Give your child your home, work and mobile numbers so they can reach you at all times, especially if they're aged around 9 - 11, as they will be spending more time on their own.

4) TIME TO TEACH

Tell your child that even if they are not sure if someone is a stranger they should always behave in the same way and not take risks. Teach them stock phrases to help give them confidence. For example: a child offered money or sweets should respond, 'No thank you. Please leave me alone' It's important children don't think that talking to a stranger is ok if they're with a friend. Teach them they should only talk to someone they don't know if you are there by their side.

5) PRACTICE MAKES...

One way you can prepare your child is by practice scenarios. Try playing a game called, 'What if?' Discussing and thinking about what to do is often more helpful than having the 'right' answers. Ask them what to do if a stranger approaches them to help reinforce the advice 'DON'T GO, SAY NO' By practising these strategies in a fun way, your child will be as equipped as possible should difficult situations arise. It's important to have this conversation regularly, especially with young children so make time every 3 - 4 months. Remember 'DON'T GO, SAY NO'

The Big Ask Survey

The Big Ask is the largest ever survey of children and young people in England. It has been initiated by the Children's Commissioner whose role it is to speak up for all

children across England and ensure their views are heard by Government. The last year has been really tough for children, and they deserve a say in what happens next.

To find out more and have your child's opinion heard, please click the link here:

<https://www.childrenscommissioner.gov.uk/thebigask/>

Children with Disabilities Team Online sessions for Parents and Carers

The online sessions will be held on the first Tuesday each month, between 11am and 12.30pm. Parents and Carers of children and young people with SEND will be able to book a 15 minute online slot to speak with a CWD representative and the short breaks co-ordinator about any social care or short break queries they may have.

To book a 15 minute slot, parents and carer's should email CWDTeam@lambeth.gov.uk, with a request for a booking, the name of their young person and date of birth, and a brief description of their query.

Sessions will be allocated on a first come first booked basis, and families will be sent an email with confirmation and details of their booking, and any request for further information. If requests for a slot are more than the slots available, the booking will be moved to the following month.

Author of the Week!

Every week a popular children's author or illustrator will provide you with free books, exclusive videos and their top three recommended reads.

Having access to a school library is really important for children. School libraries nurture a love of reading that can enrich children's literacy skills, academic achievements and mental wellbeing. This Virtual School Library will ensure that children have access to the magical world of stories all year round, whether they are learning at school or at home.

Let's see who the next 'Author of the Week' is!

Our author of the week is Ross MacKenzie!

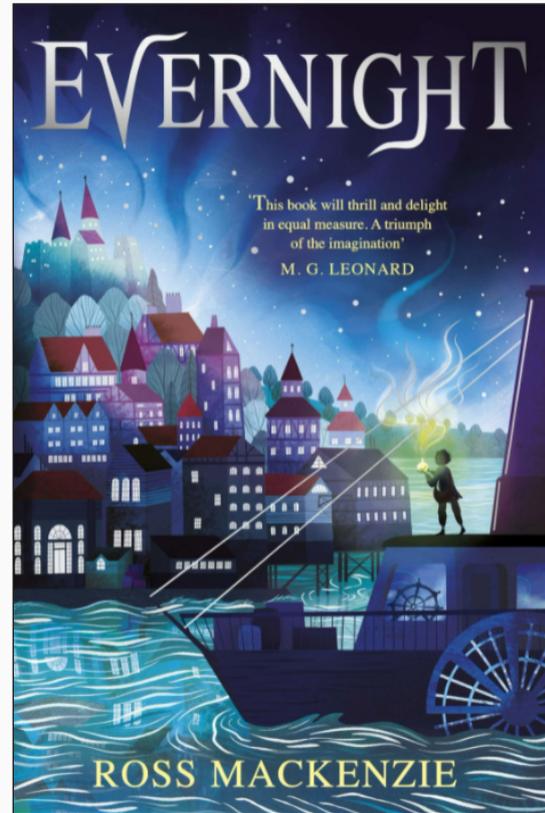

Fans of fantasy: this week we're heading to King's Haven with our author of the week, Ross MacKenzie! You can read the series

book in the *Evernight* series for FREE, watch a video to find out about his latest story, *Feast of the Evernight*, discover Ross's top three children's books and read a Q&A all about reading!

Thousands of years ago, the Evernight came to the Silver Kingdom and turned everything to darkness and chaos. It was only defeated thanks to the skill and bravery of the Witches. But now the Evernight is about to return, released by the evil Mrs Hester, and the only spell that might stop it is lost, deep below the great city of King's Haven.

Then orphan Larabelle Fox stumbles across a mysterious wooden box while treasure-hunting in the city's sewers. Little does she realise she is about to be catapulted into an adventure, facing wild magic and mortal danger – and a man who casts no shadow...

Listen to the Audiobook and watch the video

Lambeth Libraries events May 2021

Library services are gradually opening up more across Lambeth. PC booking, study space, "Select and Collect", and browsing to borrow books are all available by appointment. At the moment only West Norwood and Carnegie offer browsing, but this is being extended to all our libraries during May and June. If you know anyone who still can't get out and would like some books, do put them in touch with us and we will arrange to visit them at home.

You can book an appointment to use a PC, to print, photocopy/scan, browse, or study just [call or email your local branch](#) during opening hours and, as always, we'll be happy to help. If you have any questions please don't hesitate to contact us at libraries@lambeth.gov.uk.

Our plethora of [free online resources](#) is still available for you to enjoy so happy reading / listening / watching / learning!

Reading Friends

Reading Friends is a UK-wide initiative that brings people together to read, share stories, meet new friends and have fun. It's your choice whether to read aloud or sit back and listen. Reading is about pleasure, not pressure!

Wednesdays 9.30am - Book @ Breakfast Contact Erol
at EMehmet@lambeth.gov.uk for details.

Thursdays 10.30am - Book @ Breakfast Contact Sophia
at sneizerawuku@lambeth.gov.uk for details.

Thursdays 5pm - The Polish Community Reading Friends Contact Arthur
at alech@lambeth.gov.uk for details.

Thursdays 4pm - The Caribbean Reading Friends Contact Pauline
at pedole@lambeth.gov.uk for details.

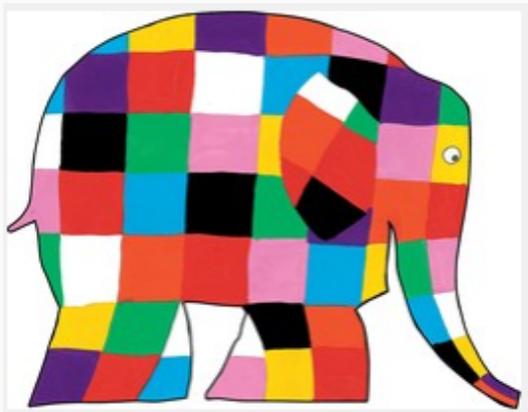

Children's Author Visits

Lambeth's month-long Readers and Writers festival also gives young readers the chance to hear from and meet authors.

Thursday 20 May, 2pm. Hear **Sandra Moodie** read *Aminata and the Bag of Seeds*. Book via [Eventbrite](#)

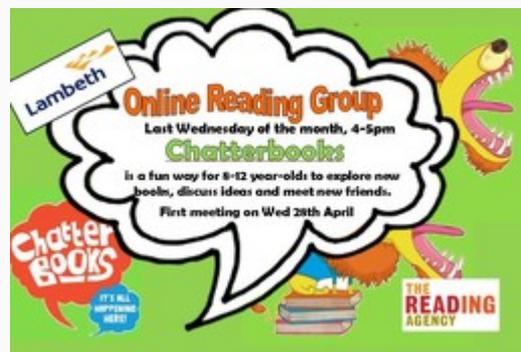

Thursday 27 May, 2pm. Author/illustrator of *The Crocodile Who Couldn't Swim* **Lee Attard** introduces us to a super fun collection of rhyming children's books. Book via [Eventbrite](#)

Test your knowledge with our fun **Literary Bingo**, download your bingo cards and answer our daily literary [quiz questions](#).

Elmer Day

Saturday 29 May is Elmer Day in all Lambeth Libraries. Help us spread the positivity of Elmer by getting your own free resources and [join the online celebration](#). Contact your local library for more details.

Chatterbooks

Wednesday 26 May at 4-5pm

Chatterbooks - an online reading and show 'n' tell group for 8-12 year-olds on the last Wednesday of the month at 4-5pm. It's National Share-a-Story month, so go on...share your or a story you love!

Lambeth Music Service: Brixton Hill Music Centre (Summer term)

All being well, we will be reopening our Saturday Music Centre after the Easter holiday, and recognise the important role music making can play in supporting the wellbeing of children and young people after such a challenging 12 months.

The Music Centre offers a range of lessons and group activities from foundation to advanced level instrument tuition to Capoeira and theory classes. Our activities suit different ages and interests. We are particularly keen to bring to your attention our programme for pupils in Reception to Y3 which for the summer term will have a focus on supporting wellbeing through songs, musical games and more.

For more information and to sign up for Saturday morning Musitrax sessions or other activities please visit our website www.lambethmusic.co.uk
Click "Learn with us".

If you have any queries or would need support with your registration, please email courses@lambethmusic.co.uk

Lambeth Music Service is the Lead organisation of Lambeth Sounds

Supported using public funding by
 

Amazing Animals!

This week's amazing animal is the Bee! Here are some fun facts you might not know:

1. Honeybees have a dance move called the 'waggle dance'. It's not actually a dance move at all, rather a clever way of communicating between themselves to tell their nestmates where to go to find the best source of food.
2. The buff-tailed bumblebee has a brain the size of a poppy seed. Which is incredible given the fact scientists have managed to train them to score a goal in 'bee football' in return for a sugary treat. Quite unbee-lievable!
3. A bee only stings under two conditions. To protect the colony or when frightened. Bees don't want to sting you because they die.
4. Male bees (drones) have bigger eyes to help them find the Queen Bee.

KS1 Challenge!

Jack and the beanstalk

Jack climbed the beanstalk.
He always went upwards.

He first did it like this: left, right, left, right.

Find five other ways that Jack can climb the beanstalk.

Treasure hunt

Jed and Jake are pirates.
Between them they have three precious jewels:
a ruby (R), a diamond (D) and an emerald (E).

Complete the table.
Show what jewels each pirate could have.

Jed	Ⓡ						
Jake	ⓔ ⓓ						

Phonics Corner!

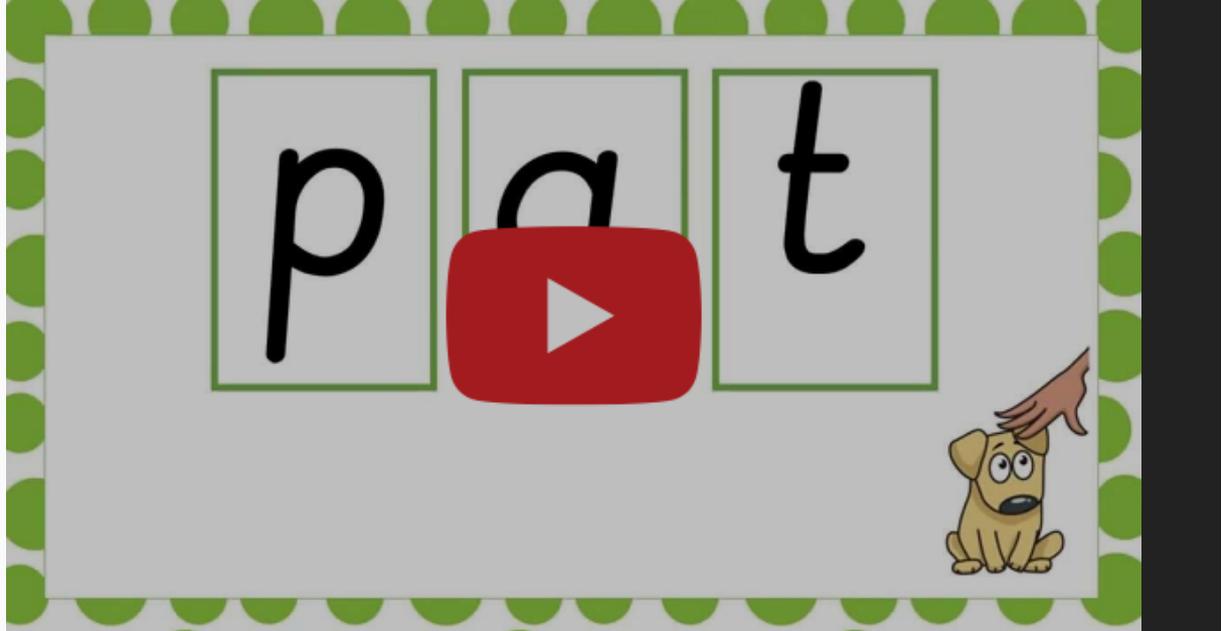

Welcome to our new Phonics Corner, where you'll find links to weekly videos to support your child in blending their known sounds. For those who are confident with their blending, there will also be a phase 5 caption for your children to practise reading.

Please don't hesitate to ask any questions you may have around phonics with either your child's class teacher or a member of the senior team.

Have fun!

[Blending practise](#)

WB 17th May Phase 2 blending s a t p i n

Phase 5 captions:

**The crayons
looked very new.**

Each week there is a competition between classes in years 3 and 4. The most correct answers achieved by a class, means that they get an extra 10 minute playtime the following week. Individual certificates go to children that logged on and practiced the most. Here are the results from 7th May - 14th May:

Year 3 winning class

KINGFISHER

Year 4 winning class

TOUCAN

Rock Stars

Toucan - Ivanildo (score of 5,178)

Wagtail - Felicity (score of 2,028)
Owl - Kandandra (score of 2,289)
Kingfisher - Jacob (score of 1,758)

Year group	Start time	End time	Parent Waiting Zone
Nursery + Reception	9.00	3.15	Go straight to Reception area
Year 1	9.00	3.15	Zone 4 (KS1 playground)
Year 2	9.10	3.30	Zones 5 + 6 (KS1 playground)
Year 3	9.10	3.30	Zones 3 + 4 (KS1 playground)
Year 4	9.10	3.30	Zones 1 + 2 (KS2 playground)
Year 5	8.55	3.10	Zone 2 (KS2 playground)
Year 6	8.55	3.10	Zones 1 (KS2 playground)

Drop off and Pick Up Times

All children need to wait in their zones to be collected by staff each morning.

Please enter the school site using the KS2 gate, follow the one-way system and exit the school site using the KS1 gate.

Please wear a face mask at all times and social distance.

Get help to self-isolate

We can connect you to the practical and emotional support you need, through our **Stay home safely support service**. Call 0800 054 1215, 9am to 5pm, 7 days a week. You may also be able to get a [£500 payment](#) if you need to self-isolate or are caring for someone who is if you cannot work from home and you are on a low income.

Local support is available, <https://beta.lambeth.gov.uk/coronavirus-covid-19/coronavirus-covid-19-find-what-support-available/advice-help-self-isolate> including help with practical things like shopping and medication. You may be eligible for a £500 support payment if you are on a low income. Lambeth Council will be providing updates and information related to the surge testing on their website here: <https://beta.lambeth.gov.uk/enhanced-coronavirus-covid-19-testing-lambeth/how-get-test>

Keep washing those hands!

Don't forget - It is so important that we not only look after ourselves but also our friends and our teachers. The best way for us to do this is to wash our hands often!

Information for parents/carers can be found on our [Coronavirus \(COVID-19\) advice and support for parents and carers](#) page. This includes [working from home](#), [parent/carer mental health](#), [advice for separated parents](#), [managing conflict and tension during lockdown](#), [supporting children with special educational needs](#) as well our [Net Aware Online safety in lockdown hub](#), co-created with O2.

Stay home safely

Margherita Pizza

Sweetcorn - Potato Wedges - Coleslaw

Jacket Potato with
Grated Cheese or Tuna Mayonnaise

Chocolate Brownie & Vanilla Ice Cream

Fruit Jelly

Fresh Fruit Platter

pabulummm
HONESTLY GOOD FOOD

Children are bound to spend lots more time on devices during school closure. **DON'T FEEL BAD ABOUT IT** – lots will be schoolwork or catching up with friends. But there are ways to keep them safe, healthy and happy.

Don't worry about screen time; aim for screen quality

Scrolling through social media isn't the same as making a film or story, or Skyping Grandma. Use the Children's Commissioner's 'Digital Five A Day' to plan or review each day together.

Check the safety settings are turned on

Whether it's your home internet, mobile devices, consoles, apps or games, there are lots of settings to make them safer. The key ones are - can they chat to strangers, can they video chat or 'go live', are their posts public? **Internet Matters** has hundreds of guides to parental controls.

Get your children to show you their apps and games

You don't need to know all about the latest app or game, but if your child shows you what they are doing and with whom, you'll probably see if it's appropriate or not. Remember 18 games are not more advanced – they are harmful to children! For parent guides to apps, including recommendations for kidsafe apps and video platforms, search for **Common Sense Media** or **NSPCC's NetAware**. And why not download the **BBC Own It** app?

Don't try to hide the news about coronavirus

If you don't talk about it, your children might read inappropriate pages, believe scare stories or simply catastrophise in their heads. Why not watch **Newsround** together and talk about how they feel – there is guidance from **Childline** to help you.

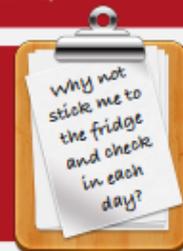

Remind them of key online safety principles

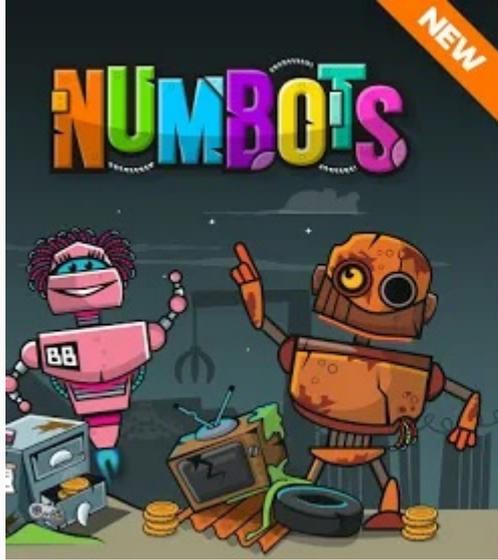

There are too many to list, but remember human behaviour is the same online and offline. Remind your children to be a good friend, to ask for help if they are worried or if someone is mean, not to get undressed on camera and most important of all... if somebody tells them not to tell or ask for help because it's too late or they will get in trouble, **THAT'S A LIE!**

If you aren't sure, ASK!

Your school may be able to give you advice, but there are plenty of other places to ask for help as a parent or a child, whether it is advice or help to fix something. Lots of sites are listed at reporting.lgfl.net, including ones to tell your kids about (they might not want to talk to you in the first instance).

You can find anything above by just googling it, or follow us @LGfLDigiSafe on Twitter or Facebook where we regularly share these resources

Continue to impress your teachers by practising on [Numbots](#) and [Times Tables Rock Stars!](#) Your log-ins work for both.

Please do not bring any products containing nuts into school.
Thank you for helping to keep our children safe.

Home Learning

We are delighted to be able to inform you of our Remote Learning Offer for all of our GHF schools.

All EYFS remote learning will be accessed through Tapestry. This will be accessed by parents/children through accounts that have already been set up by your child's class teacher that you are currently using.

All remote learning for KS1 and KS2 will be accessed through Microsoft TEAMS. All children will be linked to their 'virtual classroom' and will be able to access all remote learning through this platform.

Thank you in advance for your continued support and for continuing to work in partnership with us. With your support we can provide the very best education for all our children enabling them to achieve the highest standards to academically make progress in their learning.

If you have any concerns please do not hesitate to email your school office.
