

YEAR 6

MAAFA HISTORY

Driver Subject: **History**

This project teaches children about Africa past and present and the development of the slave trade. It also explores Britain's role in the transatlantic slave trade, the causes and consequences of the European colonisation of Africa and the worldwide communities that make up the African diaspora.

ENGLISH

Book Study: Freedom by Catherine Johnson

Newspaper reports
Persuasive letters
Non-Chronological reports
Diary Entry

MATHS

Place value
Addition, subtraction, multiplication and division
Fractions A
Fractions B
Converting units

SCIENCE

Circulatory System

This project teaches children about the transport role of the human circulatory system, its main parts and primary functions. They learn about healthy lifestyle choices and the effects of harmful substances on the body.

GEOGRAPHY

Our changing world

This essential skills and knowledge project revises the features of Earth, time zones and lines of latitude and longitude to pinpoint places on a map. Children find out more about map scales, grid references, contour lines and map symbols. They learn about climate change and the importance of global trade. Children analyse data and carry out fieldwork to find out about local road safety. They study patterns of human settlements and carry out an enquiry to describe local settlement patterns.

R.E

Sikhism - Bandi Chhor Divas
Judaism - Rosh Hashanah and Yom Kippur

COMPUTING

Staying safe
Evaluating digital content
Algorithms
Scratch
Debugging

PERSONAL DEVELOPMENT

Healthy Minds
Anti Bullying, positive friendships
Puberty recap

P.E

Dodgeball
Football;
Hockey
Invasion Games

M.F.L

La Jolie Ronde Spanish

Common vocabulary
Greetings
Questions
Classroom instructions
Cultural knowledge
More common vocabulary

MUSIC

Hey Mr Miller

Shadows
Composing for protest!

ART & DESIGN

Colour and style

This essential skills and knowledge project revisits learning about colour theory, including primary, secondary, tertiary, complementary, analogous, warm and cool colours, hues, tints, shades and tones. They learn about the use of colour in four art movements before using this knowledge to create a painting with personal meaning.

Trailblazers, barriers, breakers

This project teaches children about significant black artists and their work, and provides opportunities to analyse and create artwork inspired by them.

FROZEN KINGDOMS

Driver Subject: **Geography**

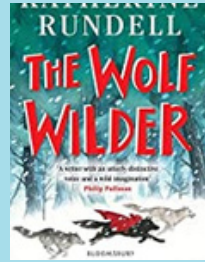

This project teaches children about the characteristics and features of polar regions, including the North and South Poles, and includes a detailed exploration of the environmental factors that shape and influence them.

ENGLISH

Book Study: The Wolf Wilder by Katherine Rundell

Non-chronological reports
Haikus
Newspaper reports
Adventure narratives

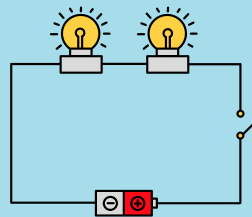

MATHS

Ratio
Algebra
Decimals
Fractions, decimals and percentages
Area, perimeter and volume
Statistics

SCIENCE

Electrical circuits and components

This project teaches children about electrical circuits, their components and how they function. They recognise how the voltage of cells affects the output of a circuit and record circuits using standard symbols. It also teaches children about programmable devices, sensors and monitoring. They combine their learning to design and make programmable home devices.

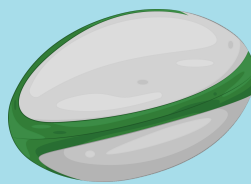

MUSIC

Dona nobis pacem

You to me are everything
Twinkle variations

P.E

Gymnastics
Tag Rugby
Dance
Basketball

PERSONAL DEVELOPMENT

Safety
Managing change
Puberty recap

R.E

Buddhism - Parinirvana
Islam - Lailat al Miraj

COMPUTING

Algorithms
Scratch
Debugging

M.F.L

La Jolie Ronde Spanish
Common vocabulary
Greetings
Questions
Classroom instructions
Cultural knowledge
More common vocabulary

DESIGN & TECHNOLOGY

Engineer

This project teaches children about remarkable engineers and significant bridges, learning to identify features, such as beams, arches and trusses. They complete a bridge-building engineering challenge to create a bridge prototype.

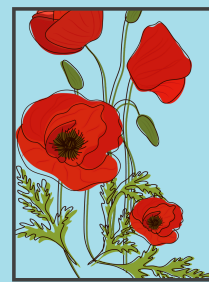

BRITAIN AT WAR

Driver Subjects: **History**

This project teaches children about the causes, events and consequences of the First and Second World Wars, the influence of new inventions on warfare, how life in Great Britain was affected and the legacy of the wars in the post-war period.

ENGLISH

Book study: Goodnight Mister Tom by Michelle Magorian

Persuasive letters
Historical Narratives
Nonets
Narrative

MATHS

Shape
Position and direction

SCIENCE

Light Theory

This project teaches children about the way that light behaves, travelling in straight lines from a source or reflector, into the eye. They explore how we see light and colours, and phenomena associated with light, including shadows, reflections and refraction.

Evolution and inheritance

This project teaches children how living things on Earth have changed over time and how fossils provide evidence for this. They learn how characteristics are passed from parents to their offspring and how variation in offspring can affect their survival, with changes (adaptations) possibly leading to the evolution of a species.

R.E

Hinduism - Kumbh Mela
Christianity - Sunday

COMPUTING

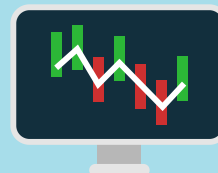

Programming

M.F.L

La Jolie Ronde Spanish
Common vocabulary
Greetings
Questions
Classroom instructions
Cultural knowledge
More common vocabulary

P.E

Athletics
Cricket
Rounders
Sports day prep

MUSIC

Race!
Exploring identity through song
Ame sau valu tara bal

DESIGN & TECHNOLOGY

Make do and mend

This project teaches children a range of simple sewing stitches, including ways of recycling and repurposing old clothes and materials.

PERSONAL DEVELOPMENT

Relationships
Puberty recap
