

## INVASION

Driver Subject: **History**

This project teaches children about life in Britain after the Roman withdrawal. Children will learn about Anglo-Saxon and Viking invasions up to the Norman conquest.

## ENGLISH

### Book Study: The saga of Erik the Viking by Terry Jones

Anglo-Saxon poetry  
Playscripts  
Norse Myths  
Non chronological reports

## MATHS

Place Value  
Addition and subtraction  
Area  
Multiplication and division A

## SCIENCE

### Food and the digestive System

This project teaches children about the human digestive system. They explore the main parts, starting with the mouth and teeth, identifying teeth types and their functions. They link this learning to animals' diets and construct food chains to show the flow of energy.

### Sound

This project teaches children about sound and how sounds are made and travel as vibrations through a medium to the ear. They learn about pitch and volume and find out how both can be changed.

## COMPUTING

Staying Safe  
Evaluating digital content

## MUSIC

Live specialist lessons: Ukulele  
Introduction to ukulele  
Reading Tab  
Strumming techniques  
Chord of C

## PERSONAL DEVELOPMENT

Healthy Minds, healthy bodies  
Anti Bullying, positive friendships  
Manners and respect

## GEOGRAPHY

### Interconnected World

This essential skills and knowledge project teaches children about compass points and four and six-figure grid references. They learn about the tropics and the countries, climates and culture of North and South America. Children identify physical features in the United Kingdom and learn about the National Rail and canal networks. They conduct an enquiry to prove a hypothesis, gathering data from maps and surveys before drawing conclusions

Judaism - Shabbat

## ART & DESIGN

### Warm and cool colours

This essential skills and knowledge project teaches children about colour theory by studying the colour wheel and colour mixing. It includes an exploration of warm and cool colours, Aboriginal art and how artists use colour in their artwork.

## DESIGN & TECHNOLOGY

### Fresh food, good food

This project teaches children about food decay and preservation. They discover key inventions in food preservation and packaging, then make examples. The children prepare, package and evaluate a healthy snack.

## MIST MOUNTAIN, WINDING RIVER

Driver Subject: **Geography**

This project teaches children about the characteristics and features of rivers and mountain ranges around the world, including a detailed exploration of the ecosystems and processes that shape them and the land around them.

## ENGLISH

**Book Study: King of the cloud forests by Michael Morpurgo**

Diaries  
Leaflets  
Explanations  
Narrative poetry

## MATHS

Multiplication and division B  
Length and perimeter  
Fractions  
Decimals A

## SCIENCE

### States of matter

This project teaches children about solids, liquids and gases and their characteristic properties. They observe how materials change state as they are heated and cooled, and learn key terminology associated with these processes.

### Grouping and classifying

This project teaches children about grouping living things, known as classification. They study the animal and plant kingdoms and use and create classification keys to identify living things.

## PERSONAL DEVELOPMENT

Different families, same love  
Living and growing  
Manners and respect

## MUSIC

Live specialist lessons: Ukulele  
Chord of A minor  
Chord of F  
Chord of G  
Italian terms

## R.E

## P.E

Football  
Gymnastics  
Cricket  
Dance

## DESIGN & TECHNOLOGY

### Functional and fancy fabrics

This project teaches children about home furnishings and the significant designer William Morris. They learn techniques for decorating fabric, including block printing, hemming and embroidery and use them to design and make a fabric sample.

## ANCIENT CIVILISATIONS

Driver Subject: **History**

This project teaches children about the history of three of the world's first ancient civilisations: ancient Sumer, ancient Egypt and the Indus Valley civilisation. Children will learn about the rise, life, achievements and eventual end of each civilisation.

## ENGLISH

**Book Study: Secrets of a Sun King by Emma Carroll**

Free verse poetry  
Instructions  
Stories from other cultures

## MATHS

Decimals B  
Money  
Time  
Shape  
Statistics  
Position and direction

## SCIENCE

### Electrical circuits and conductors

This project teaches children about electrical appliances and safety. They construct simple series circuits and name their parts and functions, including switches, wires and cells. They investigate electrical conductors and insulators and identify common features of conductors. It also teaches children about programmable devices. They combine their learning to design and make a nightlight.

## MUSIC
