

# YEAR 6

## MAAFA HISTORY

Driver Subject: **History**

This project teaches children about Africa past and present and the development of the slave trade. It also explores Britain's role in the transatlantic slave trade, the causes and consequences of the European colonisation of Africa and the worldwide communities that make up the African diaspora.

## ENGLISH

**Book Study: Freedom by Catherine Johnson**

Newspaper reports  
Persuasive letters  
Non-Chronological reports  
Diary Entry

## MATHS

Place value  
Addition, subtraction, multiplication and division  
Fractions A  
Fractions B  
Converting units

## SCIENCE

**Circulatory System**

This project teaches children about the transport role of the human circulatory system, its main parts and primary functions. They learn about healthy lifestyle choices and the effects of harmful substances on the body.

**Our changing world**

This essential skills and knowledge project revises the features of Earth, time zones and lines of latitude and longitude to pinpoint places on a map. Children find out more about map scales, grid references, contour lines and map symbols. They learn about climate change and the importance of global trade. Children analyse data and carry out fieldwork to find out about local road safety. They study patterns of human settlements and carry out an enquiry to describe local settlement patterns.

## GEOGRAPHY

## R.E

What qualities are important to religious leaders?

How do different religious and world views create celebrations?

## COMPUTING

Staying safe  
Evaluating digital content  
Algorithms  
Scratch  
Debugging  
Programming

## PERSONAL DEVELOPMENT

Healthy Minds  
Anti Bullying, positive friendships  
Puberty recap

## P.E

Dodgeball  
Football;  
Hockey  
Dance

## M.F.L

**La Jolie Ronde Spanish**  
Common vocabulary  
Greetings  
Questions  
Classroom instructions  
Cultural knowledge  
More common vocabulary

## MUSIC

Hey Mr Miller  
Shadows  
Composing for protest!

## ART & DESIGN

**Tints, tones and shade**

This project teaches children about colour theory by studying the colour wheel and exploring mixing tints, shades and tones. They learn about significant landscape artworks and features of landscapes before using this knowledge to create landscape paintings.

Trailblazers, barrier breakers

This project teaches children about significant black artists and their work, and provides opportunities to analyse and create artwork inspired by them.

**Trailblazers, barriers, breakers**

This project teaches children about significant black artists and their work, and provides opportunities to analyse and create artwork inspired by them.

## FROZEN KINGDOMS

Driver Subject: **Geography**

This project teaches children about the characteristics and features of polar regions, including the North and South Poles, and includes a detailed exploration of the environmental factors that shape and influence them.

## ENGLISH

**Book Study: The Wolf Wilder by Katherine Rundell**

- Non-chronological reports
- Haikus
- Newspaper reports
- Adventure narratives

## MATHS

- Ratio
- Algebra
- Decimals
- Fractions, decimals and percentages
- Area, perimeter and volume
- Statistics

## SCIENCE

### Electrical circuits and components

This project teaches children about electrical circuits, their components and how they function. They recognise how the voltage of cells affects the output of a circuit and record circuits using standard symbols. It also teaches children about programmable devices, sensors and monitoring. They combine their learning to design and make programmable home devices.

## MUSIC

- Dona nobis pacem
- You to me are everything
- Twinkle variations

## PERSONAL DEVELOPMENT

- Safety
- Managing change
- Puberty recap

## P.E

- Gymnastics
- Tag Rugby
- Tennis
- Netball

## COMPUTING

- Staying safe
- Evaluating digital content
- Algorithms
- Scratch
- Debugging
- Programming

## M.F.L

- La Jolie Ronde Spanish
- Common vocabulary
- Greetings
- Questions
- Classroom instructions
- Cultural knowledge
- More common vocabulary

## R.E

How is art important in Christianity?

What are the sources of the story about what happened on the first Easter Sunday?

## ART & DESIGN

### Environmental Artists

This project teaches children about the genre of environmental art. They study how artists create artwork that addresses social and political issues related to the natural and urban environment. Children work collaboratively to create artwork with an environmental message.

## DESIGN & TECHNOLOGY

### Engineer

This project teaches children about remarkable engineers and significant bridges, learning to identify features, such as beams, arches and trusses. They complete a bridge-building engineering challenge to create a bridge prototype.

## BRITAIN AT WAR

Driver Subjects: **History**

This project teaches children about the causes, events and consequences of the First and Second World Wars, the influence of new inventions on warfare, how life in Great Britain was affected and the legacy of the wars in the post-war period.

## ENGLISH

**Book study: Goodnight Mister Tom by Michelle Magorian**

- Persuasive letters
- Historical Narratives
- Nonets
- Narrative

## MATHS

- Shape
- Position and direction

## SCIENCE

### Light Theory

This project teaches children about the way that light behaves, travelling in straight lines from a source or reflector, into the eye. They explore how we see light and colours, and phenomena associated with light, including shadows, reflections and refraction.

### Evolution and Inheritance

This project teaches children how living things on Earth have changed over time and how fossils provide evidence for this. They learn how characteristics are passed from parents to their offspring and how variation in offspring can affect their survival, with changes (adaptations) possibly leading to the evolution of a species.

### Evolution and inheritance

This project teaches children how living things on Earth have changed over time and how fossils provide evidence for this. They learn how characteristics are passed from parents to their offspring and how variation in offspring can affect their survival, with changes (adaptations) possibly leading to the evolution of a species.

## R.E

What similarities and differences do religions and world views share?

What do people believe about life after death?

## COMPUTING

- Staying safe
- Evaluating digital content
- Algorithms
- Scratch
- Debugging
- Programming

## M.F.L

- La Jolie Ronde Spanish
- Common vocabulary
- Greetings
- Questions
- Classroom instructions
- Cultural knowledge
- More common vocabulary

## P.E

- Athletics (sports day)
- Cricket
- Rounders

## MUSIC

- Race!
- Exploring identity through song
- Ame sau valu tara bal

## DESIGN & TECHNOLOGY

### Make do and mend

This project teaches children a range of simple sewing stitches, including ways of recycling and repurposing old clothes and materials.

## PERSONAL DEVELOPMENT

- Relationships
- Puberty recap
